

Jenny King

Crocheted Poppy

This is a free pattern and is designed to be shared. Please feel free to make this into a brooch or gift for ANZAC or Remembrance Day

Lest we Forget

Materials

Small amounts MC Red Small amounts CC Black

This can be made in any size yarn with a hook appropriate for the yarn.

JWSS is an abbreviation for Join **W**ith a **S**lip **S**titch

Instructions

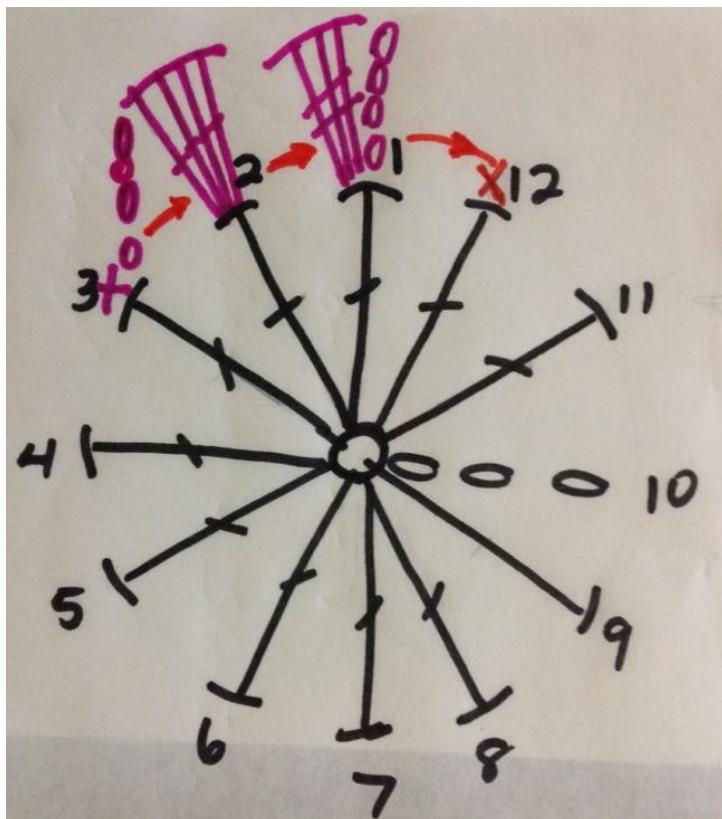

Using CC Make 5 ch Join with a slip st into the first chain to form a ring. (You can do a magic loop if desired)

Round 1: 3 ch (counts as a tr), work 11 tr into the ring. JWSS into the top of the 3 ch. Fasten off.

This poppy has 4 petals that overlap to make it look 3 dimensional. You begin round 2 with the second half of petal 4. You will then proceed to make petals 1, 2 & 3. You will complete the poppy by finishing off with the first half of petal 4. This sounds more complicated than it really is. Trust me.

Jenny King

Each treble worked in round 1 will be numbered in purple text throughout the

pattern

Round 2: Attach MC into any tr in round 1 and make 4 ch (counts as a dtr), 3dtr into the same st.

This tr is tr #1 in the drawing.

4 dtr into the next st, **tr #2 in the drawing.**

4 ch, dc into the next st. **tr #3 in the drawing. This is the 1st ½ of petal 4**

Make ch 3, turn your work so that the back is facing you, 1 dc into the st before the very first st in round 2. **tr #12 in the drawing.**

4 ch, turn your work so the front is facing you again and work 8 dtr into the ch-3 space *behind the 1st half petal just worked.* **This creates the 1st half of petal 1**

4 dtr into the next tr, **this is in tr #4 in the drawing,** 4 dtr into the next tr, **this is in tr #5 in the drawing.** **This creates the 1st half of petal 1 ,**

4 ch ,1 dc into the next st, **this is in tr #6 in the drawing.**

ch 3, turn your work so that the back is facing you again, 1 dc into the last dc worked,

4 ch, turn your work so the front is facing you again and work 8 dtr into the ch-3 space *behind the last half petal just worked,* This creates 1st half of **petal 2**

4 dtr into the next tr, **this is in tr #7 in the drawing,** 4 dtr into the next tr, **this is in tr #8 in the drawing.** **This creates the 2nd half of petal 2 ,** 4 ch , dc into the next st, **this is in tr #9**

ch 3, turn your work so that the back is facing you again, 1 dc into the last dc worked, 4 ch, turn your work so the front is facing you again and work 8 dtr into the ch-3 space *behind the last half petal just worked,* **this creates 1st half of petal 3**

Jenny King

4 dtr into the next tr, **this is in tr #10 in the drawing**, 4 dtr into the next tr, **this is in tr #11 in the drawing**. **This creates the 2nd half of petal 3**, 4 ch, dc into the next st, **this is into the dc into tr #12 in the drawing**.

ch 3, turn your work so that the back is facing you again, 1 dc into the last dc worked,

4 ch, turn your work so the front is facing you again and work 8 dtr into the ch-3 space *behind the last half petal just worked*, **This the 1st half of petal 4** Join with a sl st to the top of the ch 4 worked at the beginning of the round. Fasten off.
