## Notes

- ♥ This pattern is made holding 2 strands of yarn together.
- ♥ You can also make this bag holding 1 strand - bag will turn out smaller easy to make bigger
- ♥ It is easy to change the size of the bag by changing the amount of starting stitches and the amount of rows that you do - if you are using the worsted weight/10ply/Aran yarn this thickness of yarn and pattern makes a great size project bag for a shawl/hat or baby item
- ♥ The orange ball of yarn shown inside the bag is 200 gram
- ♥ The note book inside the bag is A4
- ♥ Chain can be substituted for the foundation single crochet (fsc) USA/foundation double crochet fdc Aus/UK
- ♥ Single crochet (USA) is an Australian/UK double crochet
