

## Quirky Nest

Vicky Ledwy

**Member Price** \$40.00

**Non Member Price** \$47.50

**Day:** Saturday 5 June

**Time:** 12:30pm - 2:00pm

**Skill Level:** Beginner

**Stitch Knowledge Required:**

The stitches learnt in this class are chains, double crochets, trebles, double trebles, half trebles, popcorns can be added as well and learning how to decrease and increase.

**Description**

This class is aimed at beginners. Participants not only build on their skill level, they can honestly feel proud of their 'one of a kind' creations, knowing they are helping injured or preemie animals. My 'CRAZY COMFY HANGING NEST/POUCH' can easily be adapted to suit the size of any animal in need of a warm snuggle zone. You can hang them out in your back garden for birds to nest in or make larger ones for Joeys or other injured animals.

**Materials required:**

**Participant to bring**

- Decorative yarns Approx. 50 grams for a small one. 200 grams for a larger one.
- Leftover scraps of yarn of all thicknesses and types. Good time to use those fancy decorative yarns you have never gotten around to finding a use for.
- Crochet hooks 4.50 - 6.50.
- Scissors
- Yarn darning needle

Teacher will have a box of interesting yarns, free, from which participants can add to their own yarns.
