Description

The Waterfall Crochet technique is a way of creating colour work without the mid-row colour changes, or the need to carry colours across rows.

We will work 2 squares from the book *“Waterfall Crochet Granny Squares”*, learning to work firstly with two colours, then with three colours.

It will open up a whole new world of creations – afghans, table runners, potholders, bags and more.

Materials required:

Participant to bring

- Three colours of yarn - any type, at least 100m each colour
- Appropriate hook to match the yarn brought along
- Needle to sew in the ends
